

Grandparent and Special Visitors' Day

Once a year a special day is set aside just for grandparents and special friends to spend a morning with the students and see firsthand what goes on inside the building. Such was the day on Friday, March 7th. Grandparents and special guests arrived in anticipation of what was to come as the children marched into the Big Room ready to recite a poem, sing a song, or perform a skit. The highlight of the morning was the viewing of the "CCA movie." Much laughter was heard as each student saw themselves up on the "big screen." What a blessing it was to have so many special visitors.
